

Hanging Logo Sign

INTERIOR: PRIMARY

The Hanging Logo Sign is used to identify the Auto Credit Express office and to direct customers to the proper location within a showroom. In addition to identifying the location of the ACE office, these signs convey a positive sense of continuity through repeated exposure to the same format, graphics, color and nomenclature.

The Hanging Sign is a lightweight, full-color digital graphic print on a 12 point board. The preferred approach is to hang this sign from a suspended ceiling over the department. Where multiple desks or workstations are used by the Auto Credit Express office within a dealer's showroom, the preferred approach is to hang multiple signs.

GENERAL SPECIFICATIONS

Hanging Logo Signs
#0501.I02

Application
Hangs from suspended ceiling with plastic clip.

Dimensions
18" x 30"
